

INTERNSHIP OFFER Business Development

You like wine and would love to promote Wine Tastings?

Keywords : Business Development – Events management – Promotion

We are looking for **BUSINESS DEVELOPMENT INTERN(s)** in Frankfurt who like wines and want to help promote wine tastings all over Germany. This person will act as a Intern and get incentives for the hard work ! He/She should be autonomous, well-organized and pro-active.

WE BRING THE WINE CULTURE CLOSER TO THE PEOPLE :

Join our successful Start-Up in Frankfurt : we develop new ways of discovering wines & retailers and organize wine tastings. We started in 2014 in Berlin and nowadays, we organize & promote winetastings in HH, FFM, Munich, Stuttgart, Köln, Düsseldorf...

Wine tastings are often held in English which makes *WEIN-KOLLEKTION.DE* one of the biggest English speaking wine platform and community in Germany.

YOUR RESPONSABILITIES :

As a **Business Development Intern**, you are in charge of contacting local winetasting organizers and grant them with access to our efficient platform. We have several packages to offer – depending whether they are small organizers or bigger ones. We also develop offers for international partners.

YOUR PROFILE :

- Excellent Communicative with Influencing Skills
- High attention to deliver quality results and able to provide excellent customer service
- German mother tongue with english language skills on professional level.

YOUR BENEFITS:

- Join a multi-lingual and easy going team
- Performance based results are more valued than presence in the office
- **Learning on the job** : Sales and Marketing, Project Management, Event Management, Negotiation, Business Development

Start : As Soon As Possible

Please send us your CV and explain us why we should choose you at info@wein-kollektion.de
We like reading in English...
